Colorado PERA Wins 2nd Place in National Communications Competition

DENVER—The National Association of Government Communicators (NAGC) awarded Colorado PERA their 2nd Place Blue Pencil prize for an article entitled “Colorado PERA’s Funded Status Continues to Make News” that appeared in the October 2004 *Retiree Report* and the January 2005 *Member Report*. Colorado PERA’s Communications staff entered the article for consideration in the 2005 competition that took place in Austin, Texas, in May. NAGC received over 600 entries in 30 categories from communication professionals at all levels of government.

Previously, Colorado PERA received an Honorable Mention from NAGC for the revamped *Colorado Investment Report* in the Most Improved Publication category in 2002.

Colorado PERA provides retirement and other benefits to the employees of over 400 government and public entities in the state of Colorado. Colorado PERA is the 25th largest public pension fund in the United States with \$32.3 billion in assets (does not include the 401(k) Plan).
