

# Upcoming Shareholder Meetings

Beginning in September, PERA will host Shareholder meetings in different locations around the state. All PERA members are “shareholders” of PERA, which means you need to know about the state of your retirement plan, which for some, might be one of your largest financial holdings.

As in previous years, the Shareholder meetings give members and benefit recipients a good opportunity to hear about current PERA issues as well as review PERA’s financial position. These meetings are similar to town hall meetings and questions are always welcome. Most meetings will be led by a member of Colorado PERA’s Executive Management.

The meetings will start at 6:30 p.m. with a briefing about PERA, followed by a question and answer period. The meetings are scheduled to end at 8:00 p.m.

All members and retirees are invited to attend, and no reservation is necessary. Please check the PERA Web site at [www.copera.org](http://www.copera.org) for any last minute changes about meetings, or call the PERA Customer Service Center at 1-800-759-7372 or 303-832-9550.
