**Eligibility - Effective Date**

**Employee Insurance**

This plan is offered to you as an Employee.

**Eligibility for Employee Insurance**

You will become eligible for insurance on the day you complete the waiting period if:
- you are in a Class of Eligible Employees; and
- you are an eligible, full-time Employee; and
- you normally work at least 16 hours a week; and
- you pay any required contribution.

If you were previously insured and your insurance ceased, you must satisfy the Waiting Period to become insured again. If your insurance ceased because you were no longer employed in a Class of Eligible Employees, you are not required to satisfy any waiting period if you again become a member of a Class of Eligible Employees within one year after your insurance ceased.

**Eligibility for Dependent Insurance**

You will become eligible for Dependent insurance on the later of:
- the day you become eligible for yourself; or
- the day you acquire your first Dependent.

**Waiting Period**

None.

**Classes of Eligible Employees**

Each Employee as reported to the insurance company by your Employer.

**Effective Date of Employee Insurance**

You will become insured on the date you elect the insurance by signing an approved payroll deduction or enrollment form, as applicable, but no earlier than the date you become eligible. If you are a Late Entrant, you may elect the insurance only...
during an Open Enrollment Period. Your insurance will become effective on the first day of the month after the end of that Open Enrollment Period in which you elect it.

You will become insured on your first day of eligibility, following your election, if you are in Active Service on that date, or if you are not in Active Service on that date due to your health status.

Late Entrant – Employee
You are a Late Entrant if:

• you elect the insurance more than 30 days after you become eligible; or

• you again elect it after you cancel your payroll deduction (if required).

Open Enrollment Period
Open Enrollment Period means a period in each calendar year as designated by your Employer.

Dependent Insurance
For your Dependents to be insured, you will have to pay the required contribution, if any, toward the cost of Dependent Insurance.

Effective Date of Dependent Insurance
Insurance for your Dependents will become effective on the date you elect it by signing an approved payroll deduction form (if required), but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included.

If you are a Late Entrant for Dependent Insurance, the insurance for each of your Dependents will not become effective until Cigna agrees to insure that Dependent. Your Dependents will be insured only if you are insured.

Late Entrant – Dependent
You are a Late Entrant for Dependent Insurance if:

• you elect that insurance more than 30 days after you become eligible for it; or

• you again elect it after you cancel your payroll deduction (if required).

Choice of Dental Office
When you elect Employee Insurance, you may select a Dental Office from the list provided by CDH. If your first choice of a Dental Office is not available, you will be notified by CDH of your designated Dental Office, based on your alternate selection. You and each of your insured Dependents may select your own designated Dental Office. No Dental Benefits are covered unless the Dental Service is received from your designated Dental Office, referred by a Network General Dentist at that facility to a specialist approved by CDH, or otherwise authorized by CDH, except for Emergency Dental Treatment. A transfer from one Dental Office to another Dental Office may be requested by you through CDH. Any such transfer will take effect on the first day of the month after it is authorized by CDH. A transfer will not be authorized if you or your Dependent has an outstanding balance at the Dental Office.

Dental Benefits – Cigna Dental Care
Your Cigna Dental Coverage
The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you.

Customer Service
If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

Other Charges – Patient Charges
Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.
Choice of Dentist
You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 13 by calling Customer Service at 1-800-Cigna24 for a list of network Pediatric Dentists in your Service Area or, if your Network General Dentist sends your child under age 13 to a network Pediatric Dentist, the network Pediatric Dentist’s office will have primary responsibility for your child’s care. Your Network General Dentist will provide care for children 13 years and older. If your child continues to visit the Pediatric Dentist after his/her 13th birthday, you will be fully responsible for the Pediatric Dentist’s Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

Your Payment Responsibility (General Care)
For Covered Services provided by your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-network Dentist. You will pay the non-network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See the Specialty Referrals section regarding payment responsibility for specialty care.

All contracts between Cigna Dental and network Dentists state that you will not be liable to the network Dentist for any sums owed to the network Dentist by Cigna Dental.

Emergency Dental Care – Reimbursement
An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

- Emergency Care Away From Home
If you have an emergency while you are out of your Service Area or unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist’s Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

- Emergency Care After Hours
There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

Limitations on Covered Services
Listed below are limitations on services when covered by your Dental Plan:

- Frequency – The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.

- Pediatric Dentistry – Coverage for treatment by a Pediatric Dentist ends on your child’s 13th birthday. Effective on your child’s 13th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.

- Oral Surgery – The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

- Periodontal (gum tissue and supporting bone) Services - Periodontal regenerative procedures are limited to one
regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.

Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.

- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

**General Limitations - Dental Benefits**

No payment will be made for expenses incurred or services received:

- for or in connection with an Injury arising out of, or in the course of, any employment for wage or profit;

- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance;

- to the extent that payment is unlawful where the person resides when the expenses are incurred or the services are received;

- for charges which the person is not legally required to pay;

- for charges which would not have been made if the person had no insurance;

- due to injuries which are intentionally self-inflicted.

**Services Not Covered Under Your Dental Plan**

Listed below are the services or expenses which are NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

- surgical placement of a dental implant; repair, maintenance or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant, unless specifically listed on your Patient Charge Schedule.

- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.

- procedures or appliances for minor tooth guidance or to control harmful habits.

- hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for network Dentist charges for covered services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination.)

Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

services to correct congenital malformations, including the replacement of congenitally missing teeth.

the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period when this limitation is noted on your Patient Charge Schedule.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered in your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

Appointments
To make an appointment with your network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

Broken Appointments
The time your network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent break an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

Office Transfers
If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24.

To obtain a list of Dental Offices near you, visit our website at myCigna.com; or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us at 1-800-Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

Specialty Care
Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental network includes the following types of specialty dentists:

- Pediatric Dentists – children's dentistry.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network
General Dentist should be sent to the Network Specialty Dentist.

**Specialty Referrals**

**In General**

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in the Orthodontics section. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental’s approval. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist’s Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist’s Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist’s Usual Fee.

**Orthodontics -** (This section is only applicable if Orthodontia is listed on your Patient Charge Schedule.)

**Definitions —**

- **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.
- **Interceptive Orthodontic Treatment** – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- **Comprehensive Orthodontic Treatment** – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- **Retention (Post Treatment Stabilization)** – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

**Patient Charges**

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if banding/appliance insertion does not occur within 90 days of such visit; your treatment plan changes; or there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a prorated basis.

**Additional Charges**

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- orthognathic surgery and associated incremental costs;
- appliances to guide minor tooth movement;
- appliances to correct harmful habits; and
- services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

**Orthodontics in Progress**

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

**Complex Rehabilitation/Multiple Crown Units**

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, and/or bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), and/or fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in
spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, and bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, and/or bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

Closed Panel Plan
A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

Primary Plan
The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

Secondary Plan
A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

Allowable Expense
A necessary, reasonable and customary service or expense, including deductibles, coinsurance or copayments, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

Reasonable Cash Value
An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health
care providers located within the immediate geographic area
where the health care service is rendered under similar or
comparable circumstances.

Order of Benefit Determination Rules
A Plan that does not have a coordination of benefits rule
consistent with this section shall always be the Primary Plan.
If the Plan does have a coordination of benefits rule consistent
with this section, the first of the following rules that applies to
the situation is the one to use:

• The Plan that covers you as an enrollee or an employee shall
  be the Primary Plan and the Plan that covers you as a
  Dependent shall be the Secondary Plan;

• If you are a Dependent child whose parents are not divorced
  or legally separated, the Primary Plan shall be the Plan
  which covers the parent whose birthday falls first in the
  calendar year as an enrollee or employee;

• If you are the Dependent of divorced or separated parents,
  benefits for the Dependent shall be determined in the
  following order:
    • first, if a court decree states that one parent is responsible
      for the child's healthcare expenses or health coverage and
      the Plan for that parent has actual knowledge of the terms
      of the order, but only from the time of actual knowledge;
    • then, the Plan of the parent with custody of the child;
    • then, the Plan of the spouse of the parent with custody of
      the child;
    • then, the Plan of the parent not having custody of the
      child; and
    • finally, the Plan of the spouse of the parent not having
      custody of the child.

• The Plan that covers you as an active employee (or as that
  employee's Dependent) shall be the Primary Plan and the
  Plan that covers you as laid-off or retired employee (or as
  that employee's Dependent) shall be the secondary Plan. If
  the other Plan does not have a similar provision and, as a
  result, the Plans cannot agree on the order of benefit
determination, this paragraph shall not apply.

• The Plan that covers you under a right of continuation
  which is provided by federal or state law shall be the
  Secondary Plan and the Plan that covers you as an active
  employee or retiree (or as that employee's Dependent) shall
  be the Primary Plan. If the other Plan does not have a
  similar provision and, as a result, the Plans cannot agree on
  the order of benefit determination, this paragraph shall not
  apply.

• If one of the Plans that covers you is issued out of the state
  whose laws govern this Policy, and determines the order of
  benefits based upon the gender of a parent, and as a result,
  the Plans do not agree on the order of benefit determination,
  the Plan with the gender rules shall determine the order of
  benefits.

If none of the above rules determines the order of benefits, the
Plan that has covered you for the longer period of time shall
be primary.

Effect on the Benefits of This Plan
If this Plan is the Secondary Plan, this Plan may reduce
benefits so that the total benefits paid by all Plans are not more
than 100% of the total of all Allowable Expenses.

Recovery of Excess Benefits
If Cigna pays charges for benefits that should have been paid
by the Primary Plan, or if Cigna pays charges in excess of
those for which we are obligated to provide under the Policy,
Cigna will have the right to recover the actual payment made
or the Reasonable Cash Value of any services.

Cigna will have sole discretion to seek such recovery from any
person to, or for whom, or with respect to whom, such
services were provided or such payments made by any
insurance company, healthcare plan or other organization. If
we request, you must execute and deliver to us such
instruments and documents as we determine are necessary to
secure the right of recovery.

Right to Receive and Release Information
Cigna, without consent or notice to you, may obtain
information from and release information to any other Plan
with respect to you in order to coordinate your benefits
pursuant to this section. You must provide us with any
information we request in order to coordinate your benefits
pursuant to this section. This request may occur in connection
with a submitted claim; if so, you will be advised that the
"other coverage" information, (including an Explanation of
Benefits paid under the Primary Plan) is required before the
claim will be processed for payment. If no response is
received within 90 days of the request, the claim will be
denied. If the requested information is subsequently received,
the claim will be processed.

Expenses For Which A Third Party May Be Responsible
This plan does not cover:

• Expenses incurred by you or your Dependent (hereinafter
  individually and collectively referred to as a "Participant,")
  for which another party may be responsible as a result of
  having caused or contributed to an Injury or Sickness.
• Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage.

Right of Reimbursement
If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above, the plan is granted a right of reimbursement, to the extent of the benefits provided by the plan, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

Lien of the Plan
By accepting benefits under this plan, a Participant:
• grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;
• agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;
• agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

Additional Terms
• No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan’s right to recover shall apply to decedents’, minors’, and incompetent or disabled persons’ settlements or recoveries.
• No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
• The plan’s right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called “Made-Whole Doctrine”, “Rimes Doctrine”, or any other such doctrine purporting to defeat the plan’s recovery rights by allocating the proceeds exclusively to non-medical expense damages.
• No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan’s rights hereunder, specifically; no court costs, attorneys’ fees or other representatives’ fees may be deducted from the plan’s recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called “Fund Doctrine”, “Common Fund Doctrine”, or “Attorney’s Fund Doctrine”.
• The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.
• In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney’s fees, litigation, court costs, and other expenses. The plan also shall be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.
• The Plan may take such action as may be necessary to enforce the terms of the Plan, including, but not limited to bringing a legal action for specific performance, restitution, the imposition of a lien and/or constructive trust, or injunctive relief.

Payment of Benefits
To Whom Payable
Dental Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient’s payment on the charge, it is the provider’s responsibility to reimburse the patient. Because of Cigna’s contracts with providers, all claims from contracted providers should be assigned.

Cigna may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any
payment due him, such payment will be made to his legal
guardian. If no request for payment has been made by his legal
guardian, Cigna may, at its option, make payment to the
person or institution appearing to have assumed his custody
and support.

When one of our participants passes away, Cigna may receive
notice that an executor of the estate has been established. The
executor has the same rights as our insured and benefit
payments for unassigned claims should be made payable to the
executor.

Payment as described above will release Cigna from all
liability to the extent of any payment made.

Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will
have the right at any time to: recover that overpayment from
the person to whom or on whose behalf it was made; or offset
the amount of that overpayment from a future claim payment.

Miscellaneous

Certain Dental Offices may provide discounts on services not
listed on the Patient Charge Schedule, including a 10%
discount on bleaching services. You should contact your
participating Dental Office to determine if such discounts are
offered.

If you are a Cigna Dental plan member you may be eligible
for additional dental benefits during certain episodes of care.
For example, certain frequency limitations for dental services
may be relaxed for pregnant women, diabetics or those with
cardiac disease. Please review your plan enrollment materials
for details.

- for root canal therapy, the pulp chamber of the tooth is opened while he is insured and the treatment is completed within 3 calendar months after his insurance ceases.

There is no extension for any Dental Service not shown above. This extension of benefits does not apply if insurance ceases due to nonpayment of premiums.

Federal Requirements

The following pages explain your rights and responsibilities under federal laws and regulations. Some states may have similar requirements. If a similar provision appears elsewhere in this booklet, the provision which provides the better benefit will apply.

Notice of Provider Directory/Networks

Notice Regarding Provider Directories and Provider Networks

A list of network providers is available to you without charge by visiting the website or by calling the phone number on your ID card. The network consists of dental practitioners, of varied specialties as well as general practice, affiliated or contracted with Cigna or an organization contracting on its behalf.

Dental Benefits Extension

An expense incurred in connection with a Dental Service that is completed after a person's benefits cease will be deemed to be incurred while he is insured if:

- for fixed bridgework and full or partial dentures, the first impressions are taken and/or abutment teeth fully prepared while he is insured and the device installed or delivered to him within 3 calendar months after his insurance ceases.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.
Qualified Medical Child Support Order Defined
A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child’s right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child’s name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child’s mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits
Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child’s custodial parent or legal guardian, shall be made to the child, the child’s custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan
Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections
Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change coverage within the time period established by your Employer.

B. Change of status
A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer’s network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order
A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid eligibility/entitlement
The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage
If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.
F. Changes in coverage of spouse or Dependent under another employer’s plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child’s adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee’s military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.
For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan’s review procedures and the time limits applicable, including a statement of a claimant’s rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.
COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?
Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a “qualifying event” that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan’s coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?
For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?
Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events
If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension
If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such coverage for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents
When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before
the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

**Termination of COBRA Continuation**

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

**Employer’s Notification Requirements**

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.

- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or

- in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

**How to Elect COBRA Continuation Coverage**

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

**How Much Does COBRA Continuation Coverage Cost?**

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.
When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

least one Dentist reviewer in the same or similar specialty as the care under consideration, as determined by Cigna’s Dentist reviewer. You may present your situation to the committee in person or by conference call.

For level-two appeals we will acknowledge in writing that we have received your request within 7 days and schedule a committee review for postservice claims, the committee review will be completed within 30 calendar days.
