

# YOUR LATE-CAREER TO-DO LIST

*If you're three to ten years from retirement, this list is for you!*

Learn how to maximize your PERA benefit and factor in other retirement income and expenses in our Pre-Retirement Planning webinar. Just snap the QR code to register.

Log into your account and use the handy Monthly Retirement Benefit Calculator to estimate your retirement income. Learn how at: [copera.info/benefitcalcvideo](https://copera.info/benefitcalcvideo).

Envision your life in retirement and explore the activities that will fulfill you.

Test drive your retirement; try living on your expected retirement income for a few years before you retire.
