Today, most financial experts agree that you will need approximately 80% of your income to maintain your current way of life in retirement. And while your Colorado PERA Defined Benefit (DB) or Defined Contribution (DC) Plan will contribute to that amount, you may want additional savings.

That’s where the PERAPlus 401(k) Plan comes into play. A voluntary retirement savings program offered through PERA, the PERAPlus 401(k) Plan can help you create your plan for the future.

**Enroll Today!**

**Enroll Through Your Payroll Office**

1. Complete the 401(k) Contribution Authorization Form and return it to your employer’s payroll office to start contributing to the Plan. A form is included in this Enrollment Guide.

2. Log on to coperaplus.org. For first-time access:
   - Log on and select Register
   - Choose the *I do not have a PIN* tab
   - Follow the prompts to create your username and password

**Who Can Enroll in the Plan?**

- All employees working for a PERA employer
- Retirees who have returned to work for PERA employers
- Retirees and inactive members who would like to roll money into the Plan
- Employees who work for an employer who has adopted the Roth option are eligible to make Roth contributions

**Investment Elections**

You’ll need to decide how to invest your contributions. Your elections must total 100% in whole percentages or whole dollar increments. If you do not make an investment election, your first contribution will be invested in a Target Retirement Date Fund based on your date of birth and an expected retirement at age 65. You can change your investment election(s) online by logging on to your account through coperaplus.org or by calling 833-4-COPERA (833-426-7372).

**CHOOSE YOUR BENEFICIARY**

When you enroll, be sure to choose a beneficiary—someone who will receive your account in the event of your death. You may enter your beneficiary information when you log on to coperaplus.org and click on Beneficiaries or you may complete the 401(k) Plan Beneficiary Designation Form included in this Enrollment Guide.

**PLAN WEBSITE**

Sign in to coperaplus.org and
- Review your account
- Explore new tools and features
- Get your Lifetime Income Score to ensure you’re on track
- Designate or update your beneficiary
Plan Features

Pre-Tax and Roth Contributions

You may contribute 100% of your eligible compensation, subject to the annual IRS maximum contribution limits.

Pre-tax contributions are automatically deducted from your paycheck before taxes are taken out.

If your employer has adopted the Roth option, you may also make Roth contributions. Roth contributions are automatically deducted from your paycheck after taxes have been taken out.

Whether you make pre-tax or Roth contributions, the total amount you may contribute to the PERAPlus 401(k) Plan is subject to the annual IRS contribution limits (see coperaplus.org for current limits). If you need help determining how much to save, use the retirement planning calculators online at coperaplus.org.

Catch-Up Contributions

If you are age 50 or older and contributing the maximum amount allowable to the Plan, you may contribute an additional catch-up contribution, up to the annual IRS limit.

Employer Contributions

Your employer may choose to match a percentage of the amount you contribute to the Plan (up to the yearly IRS total contribution maximum). Your employer may also make discretionary contributions on your behalf. Any matching employer contributions are always made on a pre-tax basis, regardless of whether you are contributing on a pre-tax or Roth basis. Contact your employer to see if your employer provides any contributions.

Automatic Enrollment

If your employer has adopted automatic enrollment, you may see a percentage of your paycheck automatically contributed to your Plan account. You may change your contribution amount or opt out of these contributions. For additional information, please contact your employer.

Investment Advice

Empower Retirement (Empower) offers the following investment advisory services, powered by Financial Engines*:  
- Online Advice—a no-cost service if you would like to manage your own retirement planning and investment decisions
- Professional Management—a fee-based service for individuals who prefer to have their account managed for them

For more information, go to coperaplus.org and select Investing Help or call 833-4-COPERA (833-426-7372).

Vesting

You are always 100% vested in your entire account balance.

Purchasing Service Credit

You may use your PERAPlus 401(k) pre-tax contributions to purchase eligible service credit. For more information, review the PERA Purchasing Service Credit booklet available at copera.org. You may not use Roth contributions to purchase service credit.

Lifetime income/ Annuities

You may use a portion of your account balance to create lifetime income through Immediate Annuities and/or QLAC annuities. For more information contact Empower at 833-4-COPERA (833-426-7372) or at coperaplus.org.

Benefits of Saving With the PERAPlus Program

Benefit From Investing Regularly

Making regular contributions to the PERAPlus 401(k) Plan allows you to take advantage of a strategy called dollar-cost averaging. You buy shares of a fund by investing the same amount of money on a regular schedule, regardless of the market price of the investment. Dollar-cost averaging allows you to buy more shares when the price is lower and fewer shares when the price is higher. The result is a potentially lower average cost per share compared to a lump-sum investment.

Saving Early Pays Off

Saving early with the PERAPlus 401(k) Plan lets you take advantage of compounding, as illustrated in the chart on the right. The longer you have to save, the more time your money will have to grow.

Roth Option

Unlike traditional PERAPlus 401(k) pre-tax contributions, Roth contributions are taxed before the money is contributed to the Plan. Any earnings on Roth contributions grow tax-free and distributions from your PERAPlus 401(k) Roth account may be tax-free for federal, state, and local income tax purposes provided they are qualified distributions (see page 12-13).

The overall benefit of the Roth option will be realized when you retire since the money in that account has already been taxed. In contrast, distributions from the traditional PERAPlus 401(k) pre-tax account will be subject to income tax in the year the money is distributed to you, unless you elect to roll it over to another eligible retirement plan. This allows you to plan your tax strategy for your retirement Plan distributions.

Comparing the PERAPlus Roth Option to a Roth IRA

- You may make Roth contributions to your PERAPlus 401(k) Roth account regardless of your income level.
- You can contribute more money to the PERAPlus 401(k) Roth account than a Roth Individual Retirement Account (IRA). The annual contribution limit for the Roth account in the PERAPlus 401(k) Plan is significantly higher than the annual contribution limit of a Roth IRA.
- There are no required minimum distributions from a Roth IRA. However, PERAPlus 401(k) Roth required minimum distributions must be taken according to IRS guidelines. If you do not take your required minimum distribution, a 50% IRS penalty would apply to all amounts not taken on time.
- A Roth IRA does not have withdrawal restrictions (you can withdraw your Roth IRA funds at any time, subject to applicable taxes), while withdrawals from your PERAPlus 401(k) Roth account are limited to termination of employment, financial hardship, death, or attainment of age 59½ while employed.
- PERAPlus 401(k) Roth amounts may be rolled into another 401(k), 403(b), or governmental 457(b) plan that has a Roth feature, or to a Roth IRA. However, if the amounts are rolled to a Roth IRA, the amounts are subject to the five-year taxable period of that Roth IRA.
Roth and Pre-Tax Comparison

The following chart highlights the differences between the tax-deferred and Roth accounts within the PERAPlus Plans that may be available to you. The Roth option is only available if your employer has adopted it.

PERAdvantage Investment Options

Through the PERAPlus 401(k) Plan, you have access to the following PERAdvantage investment options:

**Primary investment options**
- PERAdvantage Target Retirement Date Funds: *PERAdvantage Income, 2025, 2030, 2035, 2040, 2045, 2050, 2055, 2060, and 2065 Funds*
- PERAdvantage Capital Preservation Fund
- PERAdvantage Fixed Income Fund
- PERAdvantage Real Return Fund
- PERAdvantage SRI Fund
- PERAdvantage U.S. Large Cap Stock Fund
- PERAdvantage International Stock Fund
- PERAdvantage U.S. Small and Mid Cap Stock Fund

**Additional investment options**
- Self-Directed Brokerage Account

If you do not choose how you want your contributions to be invested, your money will be placed in the PERAdvantage Target Retirement Date Fund based on your date of birth and expected retirement at age 65 as described in the table on the next page.

See Investment Fund Details on pages 8-9.
Pick a Path

PERAdvantage investment options allow you to select your investments by choosing one of the two paths below that best describes your level of investment knowledge. The same PERAdvantage investment options are available for both pre-tax and Roth contributions.

**I am not sure how to invest.**

If you feel like you don’t have the time or knowledge to make investment decisions, consider this option.

- **Choose a Target Retirement Date Fund.** You can make one investment decision by choosing one fund, based on your expected retirement date and date of birth (see chart below).

Generally speaking, Target Retirement Date Funds target a certain date range for retirement, or the date the participant plans to start withdrawing money. Participants can select the fund that corresponds to their target retirement date. Target Retirement Date Funds are designed to rebalance to a more conservative approach as the target retirement date nears. An investment in the Target Retirement Date Fund is not guaranteed at any time, including on or after the target date.

**I am comfortable making my own investment decisions.**

If you have the time and knowledge to learn about your investment options and want to be responsible for making investment changes, consider these options.

- **Choose a Mix of Primary Investments with Available Advice.** You choose which PERAdvantage investment options (next page) you’d like to invest in and what percentage of your contributions to invest in each. If you need help deciding what asset allocation is right for you, Online Advice is available at no additional cost.
- **Choose Additional Investment Options.** A Self-Directed Brokerage Account is also available for an additional fee.
Investment Fund Details

For current information on these funds, including the objective, investment strategy, quarterly returns, and risks, access the Plan website through www.coperaplus.org.

Each fund is 100% comprised of the corresponding BlackRock LifePath® Index Target Retirement Date Fund. These funds grow more conservative as they reach their target retirement date.

Benchmark: Custom blend for each fund weighted in proportion to the fund mix  
Investment Management Fee: 0.07%

**Self-Directed Brokerage Account**

You can choose investments beyond the primary funds using a Self-Directed Brokerage Account with TD Ameritrade. You must transfer $500 or more to open a Self-Directed Brokerage Account and must keep at least $500 invested in the primary PERAdvantage funds. Money in the PERAdvantage funds will be used to pay the annual $50 Self-Directed Brokerage fee. The Plan administration asset-based fee in the Self-Directed Brokerage Account will be paid directly from your PERAdvantage fund. You will also be subject to additional transaction and management fees for your activities and investments in the brokerage account. For more information or to open an account, call 833-4-COPERA (833-426-7372).

Brokerage services provided by TD Ameritrade, Inc., member FINRA/SIPC. TD Ameritrade is a trademark jointly owned by TD Ameritrade IP Company, Inc. and The Toronto-Dominion Bank. © 2016 TD Ameritrade IP Company, Inc. All rights reserved. Used with permission.
Managing Your Account

Transactions and Information
Most transactions and information requests can be made by logging on to your account on coperaplus.org.

If you prefer to speak with a representative, call Empower at 833-4-COPERA (833-426-7372) weekdays from 6 a.m. to 8 p.m. (Mountain time) and Saturdays from 7 a.m. to 3:30 p.m. (Mountain time). An interactive voice response system also allows you to monitor your account and make transactions 24 hours a day, seven days a week.

Changing Your Contribution Amount
You may be able to make changes to contributions by logging on to your account. If not, contact your employer. Changes are usually effective for the following payroll period.

Transferring Money Among Investment Options
- Move money between investment options or across all investment options (reallocate your balances) online or over the phone
- Transfers may be made in $1 or 1% increments
- You cannot transfer money from one investment option to another and back to the original option in the same day

In-Plan Conversions
Roth conversions are available from the pre-tax portion of the PERAPlus 401(k) Plan. Money may be converted to Roth funds at the participant’s direction. Converted amounts are taxable in the year converted. Once a conversion has been processed, the funds cannot be changed back to pre-tax funds. Only two conversions can be made each calendar year.

Rolling Over Money From a Former Employer’s Retirement Plan

Pre-Tax Account
You can roll over money from a former employer’s retirement plan to your PERAPlus 401(k) Plan. You can also roll money from an IRA to your Plan account, provided that the entire balance in the IRA is attributable to pre-tax contributions and earnings.

Roth Account
You can roll over Roth funds from 401(k), 403(b), and governmental 457(b) plans to your Roth account in the PERAPlus 401(k) Plan.

Retirees and Inactive Members
Retirees and inactive members who were not previously enrolled in the PERAPlus 401(k) Plan are allowed to roll money from another qualified plan into the PERAPlus 401(k) Plan.

To Roll Over Money:
Contact Empower at 833-4-COPERA (833-426-7372).

Quarterly Account Statements
Each quarter, a statement summarizing your account status, including total account balance, investment selections, and the current value of each investment, will be available online.
Fees

The PERAPlus 401(k)/457 and DC Plans charge the following administrative fees:

- **PERAPlus 401(k) Plan**: $1.00/month
- **PERAPlus 457 Plan**: $1.50/month
- **PERA DC Plan**: $1.00/month

There is not a separate administrative fee if you contribute to the Roth account in addition to the pre-tax account.

Participants will also pay a Plan administrative asset-based fee of 0.03% for all assets in the Plans. That fee is paid directly from your PERAdvantage funds. In addition, participants pay asset-based investment management fees which vary for each investment option (see the Fund Summaries on pages 8-9).

Plan administration asset-based fees, and Plan administration flat fees are used by PERA for Plan expenses including Plan recordkeeping, custodial services, consulting, and internal PERA administrative expenses.

A complete fee schedule is available on coperaplus.org. Costs are only one of several factors that participants should consider when making investment decisions. The cumulative effect of costs can substantially reduce the growth of a participant’s account. Fees are subject to change at any time.

Current fee information is available on coperaplus.org. Fees are subject to change at any time.

Self-Directed Brokerage Account

If you have a Self-Directed Brokerage Account, you will pay an annual $50 Self-Directed Brokerage fee. The Plan administration asset-based fee in the Self-Directed Brokerage Account will be paid directly from your PERAdvantage funds. Additional trading costs charged by TD Ameritrade may apply.

Loans

If you take a loan from your PERAPlus 401(k) Plan pre-tax or Roth accounts, you will pay a $75 non-refundable loan application fee for each loan. The interest rate for loans is the prime rate as quoted in The Wall Street Journal on the last business day of the prior month, plus 1%.

Professional Management

If you enroll in the Professional Management program, the Advised Assets Group, LLC will manage your account for you. An annual fee will be assessed quarterly and will be approximately $3.75 per month for every $10,000 in your account.

Accessing Money From Your Account

Although the primary function of your PERAPlus 401(k) Plan is saving for your retirement, we understand there are times you may need access to your money.

Distribution Options for Active Employees

**Qualified Birth or Adoption**
You may be eligible to take up to $5000 in a year that you experience a birth or adoption.

**Age 59½ Withdrawals**
- If you are age 59½ or older, you may begin taking withdrawals from your account
- Withdrawals are not subject to the 10% federal early withdrawal penalty tax; however, pre-tax withdrawals may be subject to 20% federal tax withholding unless the funds are rolled over to another qualified plan or IRA
- You must first withdraw after-tax and rollover account balances

**After-Tax Withdrawals**
- Taken from your after-tax money in your non-Roth account
- Call 833-4-COPERA (833-426-7372) and speak with a representative at Empower to request this type of payment

Partial withdrawals can be taken by participants who are retired, or who have terminated PERA-covered employment. There is no minimum withdrawal amount.

**Rollover Withdrawals**
- Taken from your rollover account
- You must first withdraw after-tax account balances from your non-Roth account

**Financial Hardship Withdrawals**
You may be able to withdraw money from your PERAPlus 401(k) Plan for the following circumstances:
- To purchase your primary residence
- To prevent eviction from or foreclosure on your primary residence
- For tuition expenses
- For non-reimbursed medical expenses
- For funeral expenses
- For expenses for repair of damage to your principal residence that would qualify as deductible casualty expenses
- For expenses and losses incurred due to a FEMA-declared disaster (your principal residence or place of employment must be in the declared disaster area)

Documentation of financial hardship must be provided. The amount withdrawn cannot exceed the amount needed to satisfy the hardship plus any federal and state income taxes and penalties. You must exhaust all your loan options before applying for a hardship withdrawal.

*Withdrawals from the Plan may be subject to 20% federal tax withholding. Ordinary income taxes may apply and, if you are younger than age 59½, a 10% early withdrawal penalty may also apply.

**Hardship withdrawals are subject to voluntary tax withholding on the distribution. However, ordinary income tax will apply. State and local taxes may also apply. For the specific tax consequences of your withdrawal, please consult your tax professional. Withdrawals from the PERAPlus 401(k) Roth account are tax-free as long as they are qualified distributions.
**Distribution Options for Terminated Employees**

When you leave PERA-covered employment, you have the following choices regarding the money in your Plan account:

- Leave the money in the Plan (you must start distributions according to IRS guidelines)
- Request installment payments or a lump-sum distribution
- Roll over the pre-tax balance to another qualified plan, 403(b), governmental 457 plan, or IRA
- Roll over the Roth balance to a Roth IRA, Roth account in a 401(k), Roth account in a 403(b), or a Roth account in a governmental 457(b) plan
- Consider using a portion of your account balance to create lifetime income through immediate annuities or a qualified longevity annuity contract (QLAC). Please contact Empower at 833-4-COPERA (833-426-7372) for more information

**Roth Withdrawals**

Distributions from your PERAPlus 401(k) Roth account may be tax-free from federal, state, and local income tax provided they are qualified distributions. A qualified distribution must meet the following criteria:

1. The first Roth contribution has been in the Plan for at least five tax years (or sooner, if assets were in a Roth account in another employer-sponsored plan and then rolled over into the Plan), and
2. The participant is either at least age 59½ or disabled, or the distribution is to be made to a beneficiary after the participant’s death.

**Tax Considerations**

Any money withdrawn from your PERAPlus 401(k) Plan pre-tax account is subject to ordinary federal and state income tax and is subject to a federal 10% early withdrawal tax penalty if you withdraw it before age 59½. The tax penalty may not apply if you separate from PERA-covered employment (you end employment or retire) in the year in which you turn age 55 or older.

---

**Taking a Loan From Your PERAPlus 401(k) Plan Account**

You can borrow from your PERAPlus 401(k) Plan pre-tax and Roth accounts and pay back the loan, plus interest, through automatic checking or savings account deductions.*

- There are two loan types available: general and residential
- You may borrow a minimum of $1,000 up to a maximum of $50,000 or 50% of your account balance reduced by your highest outstanding loan balance during the past 12 months. For example:
  - If your balance is $1,000–$10,000, you may borrow the entire balance (less the $75 loan fee and 5% for market fluctuations)
  - If your balance is $10,001–$20,000, you may borrow up to $10,000 (less the $75 loan fee and 5% for market fluctuations)
  - If your balance is $20,001 and greater, you may borrow 50% of the balance, not to exceed $50,000
- You may have a maximum of two outstanding loans at one time; if you default on a loan, you are not eligible to take another loan
- A $75 nonrefundable loan application fee applies for each loan taken

To request a loan:

- Download a loan application available on coperaplus.org
- Call 833-4-COPERA (833-426-7372) and request a loan application

* The interest rate for loans is the prime rate as quoted in The Wall Street Journal on the first of the month, plus 1%.

---

**Notes:**

- Periodic payments of 10 years or more are not eligible for rollover. You may transfer pre-tax Plan funds to purchase service credit. Contact PERA for more information on purchasing service credit.

- Distributions from the Plan may be subject to federal, state, and local tax withholding. The distribution provisions in the PERAPlus 401(k) Plan may be different than the distribution provisions in other plans. Consult your tax professional or financial planner before deciding how to take your distribution.
Special Circumstances

**Domestic Relations Orders (DRO)**

A DRO for the PERAPlus 401(k) Plan may be used to divide your 401(k) account in a marital dissolution. If PERA receives a valid DRO for your PERAPlus 401(k) Plan account, a one-time payment will be made to your former spouse in accordance with the terms of the DRO.

If you are contemplating a DRO for your PERAPlus 401(k) Plan account in conjunction with your marital dissolution, please contact PERA or visit [www.copera.org](http://www.copera.org) to obtain the Domestic Relations Order packet, which contains detailed instructions and the DRO forms you must use.

**Military Leave**

If you missed contributions to the PERAPlus 401(k) Plan while on military leave, you may have increased PERAPlus 401(k) contributions deducted from your paycheck, upon re-employment, to make up for contributions missed while on leave. You may take up to three times the period you were absent from PERA-covered employment to make up missed contributions due to military leave. This make-up period cannot exceed five years.

If you are making Roth contributions upon re-employment, they are treated as made in the taxable year of qualified military service that you designate as the year to which the contributions relate.

More information is in the *PERA Leaves and Sabbaticals* brochure, available at [www.copera.org](http://www.copera.org).
DO NOT SEND THIS FORM TO EMPOWER RETIREMENT OR COLORADO PERA.
Deliver this form to your payroll office; make copies for any other employers who will be deducting 401(k) contributions.
If your employer offers online enrollment, do not complete this form.

C Participant Consent for Beneficiary Designation (Please sign on the 'Participant Signature' line below.)

I have completed, understand and agree to all pages of this Beneficiary Designation form. Subject to the terms of the Plan, I am making the above beneficiary designations for my vested account in the event of my death. I acknowledge and agree that it is my responsibility to monitor the beneficiary designations in my account and to update the beneficiary designations as I deem necessary upon a change in marital status, death of a beneficiary or any other change that may impact my beneficiary designations.

If I have more than one primary beneficiary, the account will be divided as specified. If a primary beneficiary predeceases me, his or her benefit will be allocated to the surviving primary beneficiaries. Contingent beneficiaries will receive a benefit only if there is no surviving primary beneficiary, as specified. If a contingent beneficiary predeceases me, his or her benefit will be allocated to the surviving contingent beneficiaries. If I fail to designate beneficiaries, amounts will be paid pursuant to the terms of the Plan or applicable law. This designation is effective upon execution and delivery to Service Provider. If any information is missing, additional information may be required prior to recording my designation.

This designation supersedes all prior designations. Beneficiaries will share equally if percentages are not provided and any amounts unpaid upon death will be divided equally. Primary and contingent beneficiaries must separately total 100%. The percentages can be divided up to two decimal points (Example: 33.33%).

I understand that my divorce, annulment, or any dissolution or declaration of invalidity of my marriage will NOT revoke the beneficiary named above unless I revoke the designation by submitting a beneficiary designation. Colorado Revised Statute section 15-11-804 does not act to revoke a spouse's designation as a beneficiary in this plan.

Any person who presents a false or fraudulent claim is subject to criminal and civil penalties.

Participant Signature ______________ Date (Required) ______________

A handwritten signature is required on this form. An electronic signature will not be accepted and will result in a significant delay.

Empower Retirement is the service provider for the PERAPlus 401(k) Plan.

This guide contains general information about the PERAPlus 401(k) Plan. Your rights, benefits, and obligations as a 401(k) Plan participant are governed by Title 24, Article 51 of the Colorado Revised Statutes, the Rules of the Colorado Public Employees’ Retirement Association, and PERA’s 401(k) and Defined Contribution Plan and Trust Document, which take precedence over any interpretations in this guide.
