

Direct Deposit by ELECTRONIC FUNDS TRANSFER (EFT)

Direct deposit is fast, easy, and secure. Plus, it's free!

Colorado PERA can deposit your monthly benefit payment directly into your checking or savings account at your bank or credit union every month. Since paper checks are mailed the same day, you will have access to your money sooner using direct deposit. No more waiting for the mail!

Consider these advantages when using PERA's direct deposit system—Electronic Funds Transfer (EFT):

CONVENIENT

- » **Convenient.** No waiting for checks to clear so your bills can be paid. You know your funds will be credited to your account.
- » **Save time.** Direct deposit eliminates the need to make deposits in person. You'll avoid driving time and long lines at the bank.
- » **Accessible.** Log in to your account anytime at copera.org and view your statements online.

ENVIRONMENTAL

- » **Save on gas.** Fewer trips to the bank not only saves you time, but means less spent on gas.
- » **Save paper.** Since the funds and records are available electronically, less paper is used.

SECURE

- » **Reliable.** Feel confident knowing your check is in your account on the last business day of the month.
- » **Safe.** Without a paper check to get lost, stolen, or delayed in the mail, there is less risk of fraud, identity theft, or forgery. Direct deposit is more confidential than paper payments because fewer people are involved in the process.
